

Regional Center for Poison Control and Prevention
serving Massachusetts and Rhode Island presents:

Common Sense: Carbon Monoxide Regulation, Safety, and Prevention

* **Nicole's Law**, which requires virtually all Massachusetts homes to be equipped with carbon monoxide detectors, went into effect on **March 31st**.

* Please join us for an informative seminar to learn about this important legislation and how it affects you.

April 24th, 2006

6:30pm-8:00pm

Children's Hospital Boston

Enders Auditorium

300 Longwood Avenue
